

VHS: Faster. Cheaper. Smarter. Trial Strategy.

VHS is your strategic trial co-pilot — giving litigators **smarter case insights, cheaper than traditional methods, and faster than ever thought possible.**

Built by experts with decades of jury consulting experience, VHS transforms the way you prepare for trial:

Faster:

Strategic clarity in a fraction of the time — helping you act early, frame smarter, and drive stronger settlements or trial outcomes.

Cheaper:

Eliminates the massive time and cost of traditional focus groups.
Simple document input replaces weeks of expensive in-person logistics.

Smarter:

Real juror modeling.
Multi-agent orchestration.
Venue-specific demographic tuning.
Insights shaped and sanity-checked by litigation experts — not generic AI outputs.

How It Works:

1. You submit key case documents.
 2. VHS processes your case with structured juror modeling.
 3. You receive a focused, actionable insights report — designed to sharpen strategy, pressure-test damages, and prepare for mediation, voir dire, or trial.
-

Why Great Trial Lawyers Are Turning to VHS:

- **Pressure-test your strategy** before investing hundreds of hours into prep.
 - **Confirm or refine damages theories** based on real community juror modeling.
 - **Sharpen voir dire** and jury selection using profile data, not guesswork.
 - **Shortcut years of instinct development** for younger associates.
 - **Quietly gain an edge** your opposition won't even see coming.
-

VHS isn't just tech.

It's **strategic intelligence at the speed of litigation.**
